Create an invitation

Create an invitation for another person to access this Patient Portal by completing the form below. Please verify the email address with the person you are inviting. They must accept the invitation using the same email address. The invitation's link to set up proxy access will expire after 30 days. Choose the remove option if it is decided later to no longer permit that user access.

By submitting the shared access invitation, I understand that my proxy will have the same access and privileges that I have for the Anderson Healthcare MyHealth Patient Portal. I understand that this allows my proxy to have online access to my personal health information which may include, but not limited to, items related to drug/alcohol abuse, mental health treatment, genetic information, sexually transmitted diseases, HIV/AIDS testing/treatment or any other sensitive information.
